WORK EXPERIENCE

Owner
Colton Williams Ventures, LLC

📅 June 2023 - current   📍 Benton, AR

- Freelance Software Developer specializing in Laravel and Vue.js.

Software Engineer
Active Logic

📅 October 2022 - November 2023   📍 Remote

- Built a software called [SunnybrookTMS](#) starting out ER Diagrams. Created all Eloquent models, factories, migrations, and relationships, UI designs, frontend forms, and more.
- Implemented [Tenancy For Laravel](#) with subdomain identification. Created a central domain to manage tenants.
- Built truck tracking integrations with [Macropoint](#)
- Built complex accounting PDF tools to split pages, approve documents, and handle payments that integrated with Quickbooks.
- Developed RESTful API handling JSON payload translations, data validation, [Sanctum token authentication](#), and frontend token generation. Facilitated seamless onboarding and migration of hundreds of thousands of records for new software tenants.
- Used [Pusher](#) and [Broadcasting](#) to create real-time chat and Shipment checkout queue system.

Senior Full Stack Laravel/PHP Developer
FLEX360

📅 October 2018 - October 2022   📍 Little Rock, AR

- Build and maintained 100s of production web applications.
- Developed a [composer package](#) CMS for Laravel called [Pilot](#) composed of models, migrations, controllers, routes, frontend views, and a config file that cut our project delivery time by around 75% and made our codebase and pages more consistent.
- Google Workspace and Microsoft super admin. Responsible for onboarding/off-boarding employees, migrating emails, setting up forwarding rules, etc.
- IT Support for around 70 employees.

CAREER OBJECTIVE

Throughout my career as a software developer I've focused on developing scaleable and well documented code. I enjoy working collaboratively but can also run with projects on my own. Excited about the prospect of joining a company that is passionate about helping people through technology.

EDUCATION

Bachelor of Science
Computer Science
University of Arkansas at Little Rock

📅 2014 - 2018
📍 Little Rock, AR

SKILLS
